

REMARKS

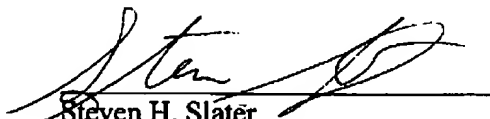

Claims 1-2, 4-15, 18-21, and 24-32 were pending in the application. Claim 28 has been amended herein, claims 1-2, 4-15, and 26 have been canceled herein.

Claim 28 has been amended to clarify that the method relates to a computer-based method of generating a text-based description.

Applicants wish to thank Examiner for the courtesy of a brief telephone interview on April 27, 2004. During the telephone interview Examiner indicated that claims 18-21, 25 and 27 were allowable and that claims 28 - 32 would be allowable if claim 28 was amended to clarify that the method of claim 28 relates to a computer-based method of generating a text-based description. This has been done and Applicants believe that all presently pending claims are in condition for allowance. Applicants respectfully request that Examiner pass the case to issuance.

Respectfully submitted,
